

Naipunnya Institute of Management and Information Technology
Annual Report: Anti-Ragging Committee - Academic Year 2019-2020

NIMIT has implemented the fundamental steps required by the UGC Regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009, including creating an anti-ragging cell, installing CCTV cameras at strategic locations, mentioning an anti-ragging warning in the college prospectus, and verifying the information in the college handbook. Along with our routine interactions and consultations with the students, we regularly do surprise inspections of the dorms. We have put the suggestions and action measures into practice, making sure that there is no ragging on campus.

The academic year 2019-20 has been marked by concerted efforts and achievements in various domains of our institution. Under the guidance of our esteemed Principal, Rev.Dr. Paulacharn K.J, and the dedication of our faculty and staff, we have made significant strides in fulfilling our educational mission.

One of the primary focuses of the academic year was our commitment to maintaining a safe and conducive learning environment. Led by Rev. Fr Dr. Paulachan K-J, the Anti-Ragging Cell diligently carried out its responsibilities. Various measures were implemented to prevent and address instances of ragging within the college premises. These efforts were further underscored by a talk on Anti-Ragging in Navarang, which took place on 21/06/19, garnering significant participation and support from the college community.

Throughout the academic year, our institution organized a diverse array of programs aimed at fostering holistic development among our students. These initiatives were reviewed and evaluated during meetings held in the Conference Room chaired by Fr. Dr Paulachan K.J. and attended by the cell members. The efforts of all involved were acknowledged and commended, with particular emphasis on the impactful talk delivered by the resource person, Adv. Mr. Seby Pully.

In conclusion, the academic year 2019-20 has been characterized by collaboration, dedication, and a relentless pursuit of excellence. As we prepare to embark on the next phase of our educational journey, we remain steadfast in our commitment to nurturing the intellectual, moral, and personal growth of our students. We are thankful to the cell members who devoted their time to the Anti-Ragging Committee this academic year. Their fervent devotion significantly contributed to the Committee's efficacy.
