
Annual Report: Anti-Ragging Committee - Academic Year 2022-2023

As per the UGC Regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009, we have taken the basic measures such as constitution of Anti-ragging cell, Installations of CCTV cameras at vital points, mentioning of anti-ragging warning in the college prospectus and ensured the information in the College handbook. We are also doing regular interaction and counselling with the students, surprise inspection at hostel. We have implemented the recommendations and action steps and ensuring a ragging-free campus.

Throughout the academic year 2022-2023, the Anti-Ragging Committee actively worked towards promoting a safe and respectful campus environment. The committee successfully conducted a seminar under the guidance of Rev.Fr.Dr.Paulachan K.J, with Mr. Binukumar P.L, serving as the resource person. The seminar aimed to raise awareness about the importance of anti-ragging measures.

Furthermore, efforts were made to enhance visibility and awareness through the installation of new boards across the campus. These boards serve as a constant reminder of the institution's commitment to preventing ragging incidents.

In addition to proactive measures, surprise checks were conducted to ensure adherence to anti-ragging policies, thereby fostering a culture of accountability and safety within the campus community. We express our gratitude to the faculty and committee members who dedicated their service to the Anti-Ragging Committee throughout the academic year. Their strong dedication greatly aided the Committee's effectiveness.
