12.Modern teaching aids, power point presentations, digital resources ,e –content etc are used by the teachers while teaching

62 responses

Suggestions if any

8 responses

No comments in specific

1) Lagging of time in some areas (ex. While starting class-joining problems)
2) poor connection also cause difficulties while joining through linways

Nice

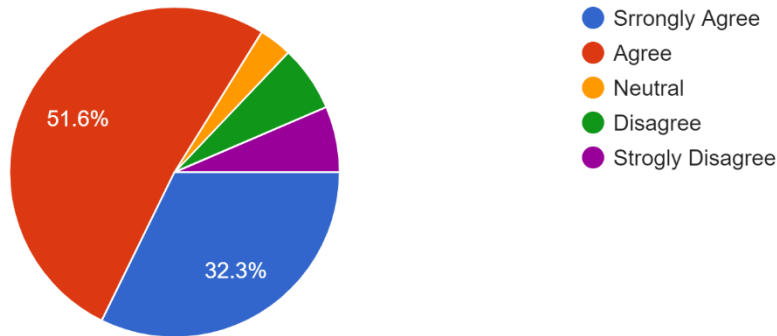

It's a good section

Feedback Analysis – Students

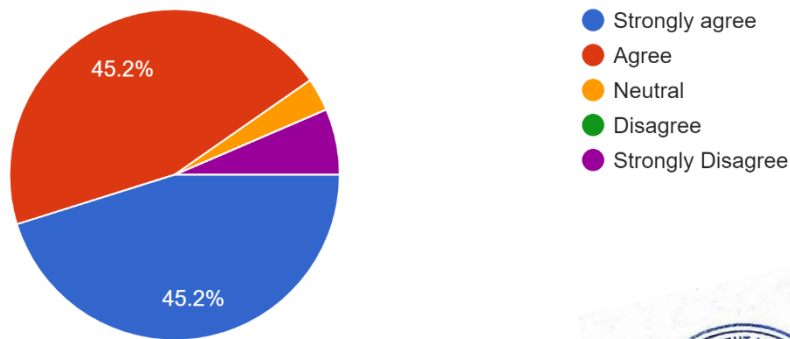

1.You are satisfied with the support provided by the curriculum to meet your current professional/Higher education standards

31 responses

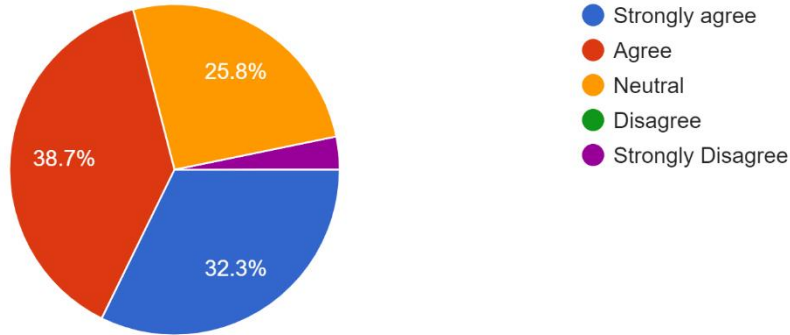

2.The curriculum offered a good teaching learning atmosphere in the institution

31 responses

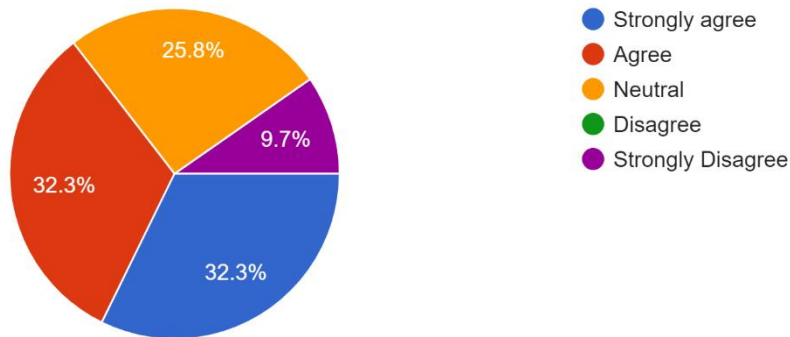

3.The contents of the courses offered in the program is good.

31 responses

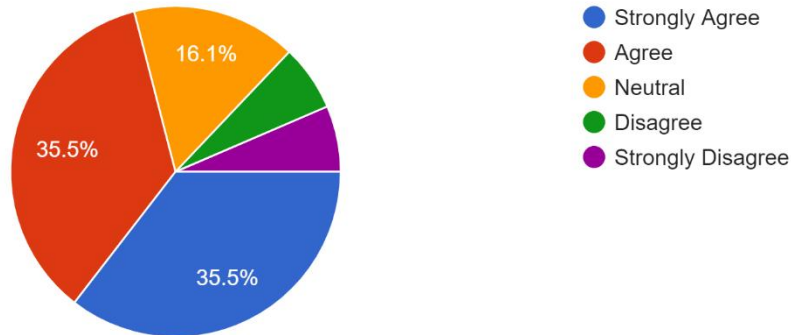

4.Curriculum accommodates the skills to face the industry challenges or requirements

31 responses

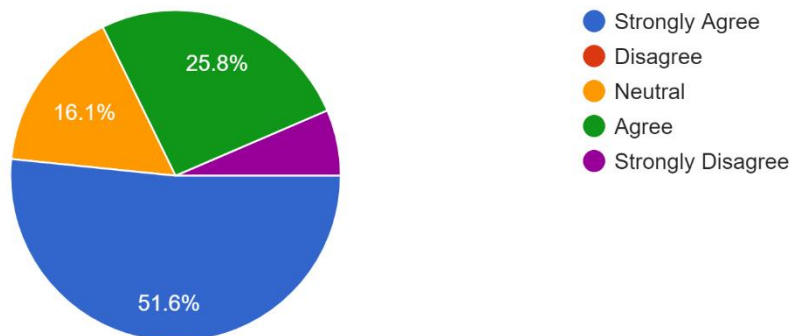

6. Rate the training and placement cell in getting ample soft skill and placement opportunities.

31 responses

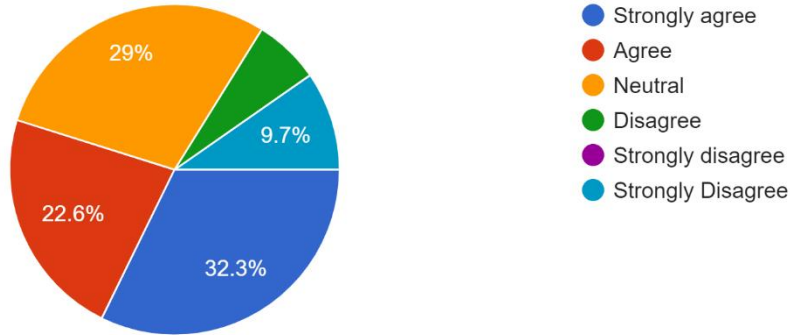

7. Rate the competence and support offered by faculty members

31 responses

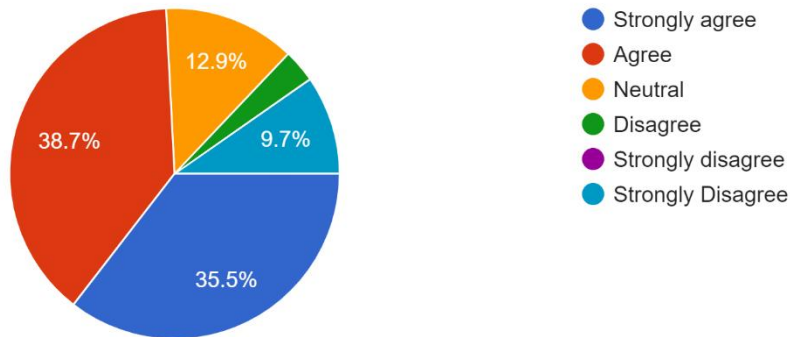

8.Syllabus had a good balance between theory and practicals(Applications)

31 responses

10.The extra-curricular and co-curricular activities provided during my study period was sufficient

31 responses

Suggestions if any

11 responses

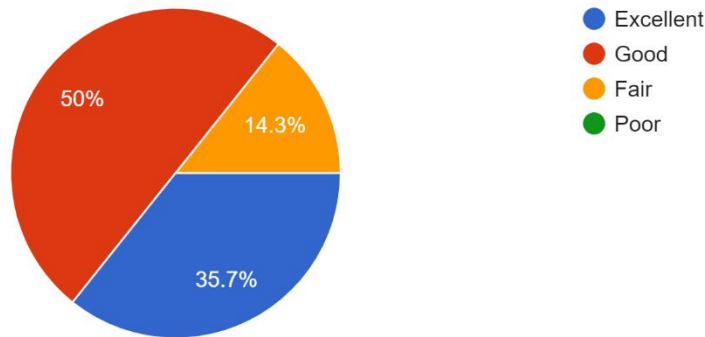

- No
- More training programs can be conducted for the overall development of the personality.
- Improve required,

Feedback Analysis – Employers

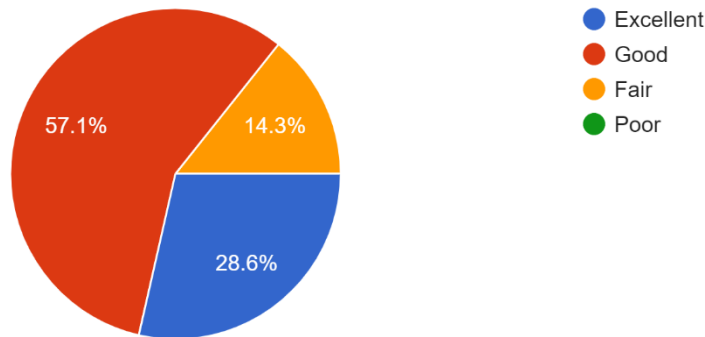

1)How do you rate ability of students to contribute to the goal of the organization?

14 responses

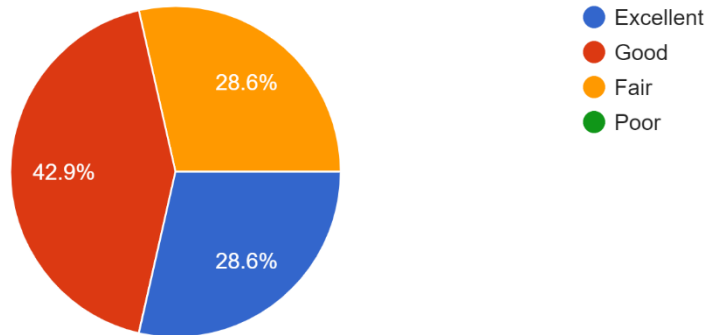

2)How do you rate the technical knowledge/management skill/leadership skill?

14 responses

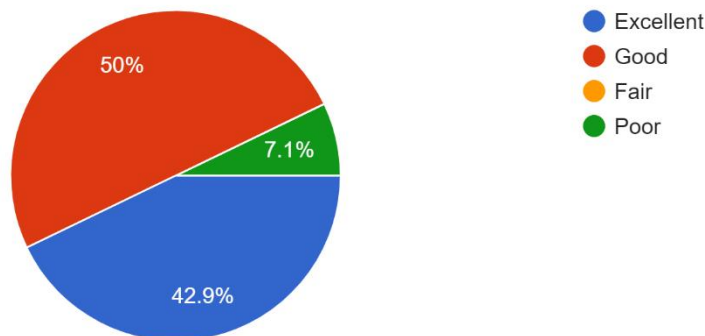

3)Curriculum promotes and encourages Industry-Academic Interactions

14 responses

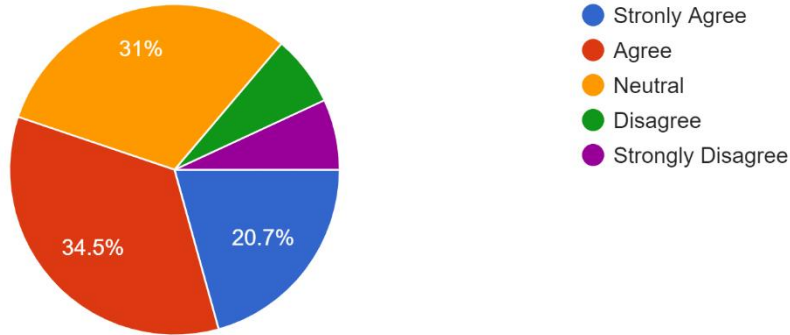

4)How do you rate the relevance of the topics to the Industry?

14 responses

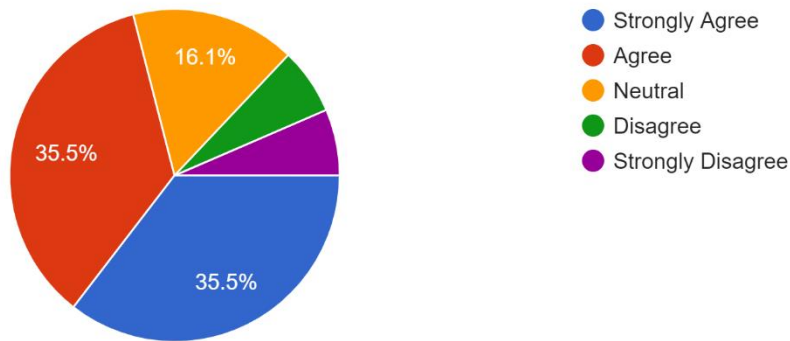

5. The syllabus created interest to pursue post-graduation/research in the particular topic

29 responses

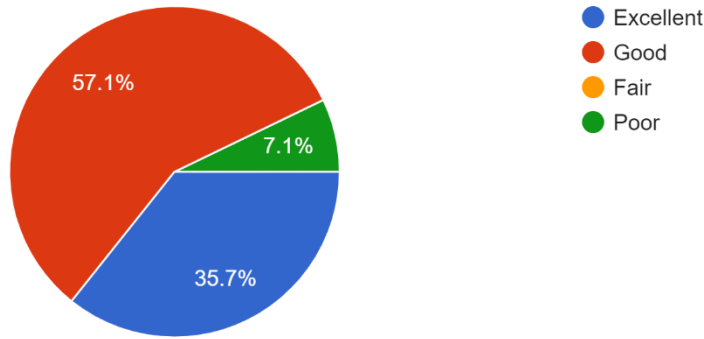

6. Rate the training and placement cell in getting ample soft skill and placement opportunities.

31 responses

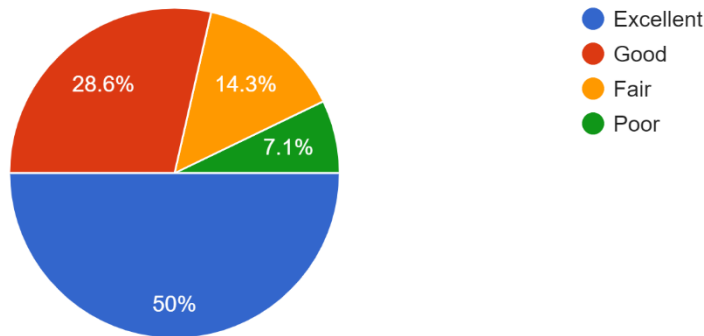

7) How do you rate the experiments in terms of their relevance to the real life application?
(Theoretical aspect and Practical exposure covered by the syllabus)

14 responses

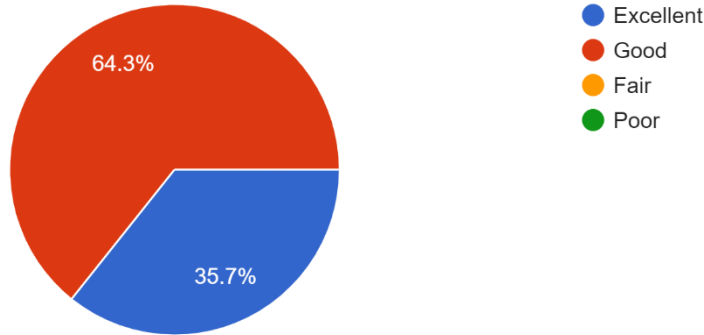

8) Communication skills of the students are good

14 responses

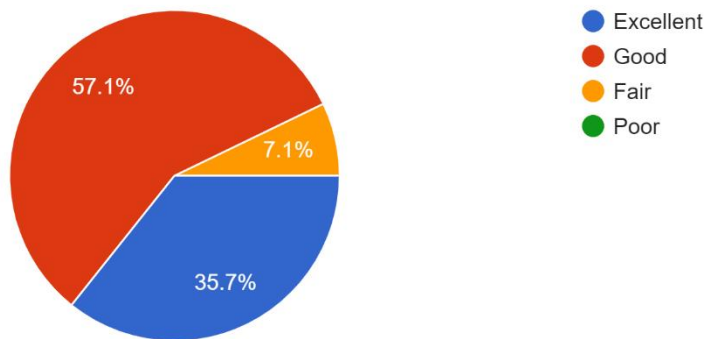

9) Relationship with Seniors/Peers/Subordinates

14 responses

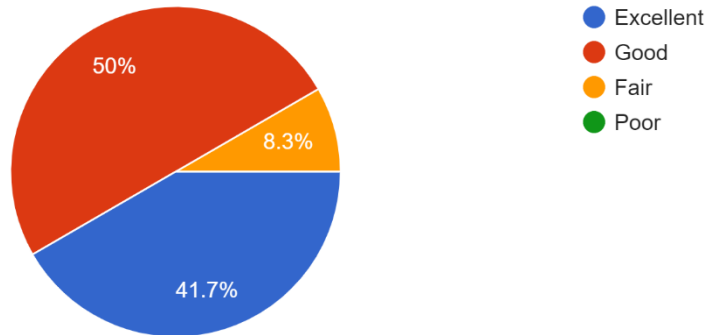

10) Overall Impression about their performance

14 responses

11)What other courses that you suggest to be included in the curriculum?

12 responses

Suggestions if any

4 responses

Institution should be student friendly within the parameters of discipline

No comments

The practicals syllabus is outdated. If a student is interested in Kitchen their knife skills is a very important factor which the university/ Institute should focus more. If a student is interested in Service his body language and communication skills should be focused with basic table manners..
